We have initiated these measures for the football season. Our measures will be too restrictive for some to fight the pandemic and keep everyone critically important for everyone to individually do.

Every person has a unique perspective of the COVID-19 pandemic. Some are fearful, others are cautious. Our measures are too restrictive for some. Follow your guidelines and support your Cyclones.

If you have tickets for a Stadium Suite, the Jack Trice Club or the Sukup End Zone Club, you will receive additional correspondence about the security procedures for these premium areas.

In the face of change, we continue to provide limited fan experiences, consistent with state guidelines. We’ve followed steps to keep you safe, but we understand you need to physically distance. If you are sick, do not come to the games.

Face coverings and temperature checks are required for everyone at the games.

For assistance, contact the Ticket Office at 515-294-1816 (call the Ticket Office at 515-294-1816 with questions).
